

The Historic Woodland Downtown Business Group is a public-private partnership created from a membership of downtown stakeholders.

Our mission is to support the business, cultural, entertainment and government center for the region by:

- encouraging economic development
- revitalizing and promoting downtown
- supporting existing business
- acting as a liaison between diverse interest groups and government

This group and its strength comes from its members, where interest and involvement drive the vision and actions of the group as a whole.

Visit [www.downtownwoodland.org](http://www.downtownwoodland.org) for more information.

### **Our Downtown Goals**

1. Economic Viability
2. Physically Attractive Downtown
3. Family Centered Environment
